

2023 PPRSSA Player Rating Guidelines

1 - Top player – Most advanced players in our league. Excellent game awareness and able to apply game strategies to advance the team's play.

Offensively - Hit for power and/or high average.

Defensively - Rarely making an error.

Running - Fast and aggressive on bases. Runs for other players when needed

2 - Above average player – consistent skills and knowledge of game strategies.

Offensively - Solid offensive, good on-base percentage

Defensively - Solid defensive player, makes occasional errors in the field

Running - Solid runner, above average speed

3 - Average player – Player has a general knowledge and average skills but is inconsistent.

Offensively - Inconsistent hitting, lacks power

Defensively - Inconsistent fielding, prone to physical errors in the field

Running - Runs with average speed

4 - Below Average player -

Offensively - low batting average and lacks power to outfield

Defensively - Shaky defense, prone to physical and mental errors in the field

Running - Slow runner, can not advance on fly outs, prone to double plays

5 - Player struggles to play offense and defense. Needs to have a courtesy runner on the bases
