

We're excited to share some updates as we head into the 2026 softball season!

New League Announcement

We're excited to announce the launch of our new Monday Night 40+ Senior Softball League, open to men and women 40 and over! This new League is designed for strong, competitive players who enjoy a faster pace and a higher level of play, think tournament-style energy and excitement. If you are familiar with the city's league structure, this would be a high level men's white or blue league equivalent.

To keep everyone having fun and playing safely, our long-standing 50+ League will continue to be the perfect home for players who prefer a more relaxed, recreational style of softball. It's important to us that every player is in an environment where they can enjoy the game, compete comfortably, and stay safe, especially since the new league's speed and intensity may increase the risk of injury for players who aren't used to that level.

Both the 40+ and 50+ leagues will continue our tradition of 100% drafted teams.

No matter your skill level or playing style, we have a place for you. If you're not sure which league is the best fit, we're happy to help you find the perfect spot.

Summer League Registration

Registration for our all Summer Leagues (40+, 50+, 60+, and 70+) will open on Feb 16.

Cost: \$70 per league

Games are planned for late April thru the end of August. See website for details.

Registration for 40+ will close on March 24 or when we reach capacity for full teams.

All other league registrations will close March 31, or when full.

Batting Practice

We will continue to hold indoor batting practice on Wednesdays at D-Bat through April 1. After that, weather permitting, we'll move practices outdoors to Cottonwood. Schedule details are on the league website.

Board News

A big thank you to Tim Ryan for his incredible 6 years of service as a board member and 70s league representative. While Tim is retiring from the board, he's not going anywhere, he'll still be out on the field as a player, our go-to unofficial UIC, and a trusted source of softball wisdom.

Please also join us in welcoming Don Gerrish as our newest board member. Don has been an active player in our leagues for years, and we look forward to his participation & leadership as we continue to grow and improve our leagues.

Thanks for being part of our awesome softball community—we're looking forward to a great season!
